**Scope of Audit**

The audit covered the financial transactions of the Board Secretary/School Business Administrator and the Financial Services Coordinator, District personnel entrusted with duties formally under the auspices of the Treasurer of School Monies, the activities of the School District, and the records of the various funds under the auspices of the Board of Education.

**Administrative Practices and Procedures**

**Insurance**

Fire insurance coverage was carried in the amounts as detailed on Exhibit J-20, Insurance Schedule, contained in the District's **CAFR**.

**Official Bonds (N.J.S.A. 18A:17-26, 18A:17-32, 18A:13-13)**

<u>Name</u>	<u>Position</u>	<u>Amount</u>
Brian Ferguson	School Business Administrator/ Board Secretary	\$ 275,000

There is a Public Employees' Faithful Performance Blanket Position Bond with Selective Insurance Company covering all employees with coverage of \$250,000.

**Tuition Charges**

A comparison of tentative tuition charges and actual certified tuition charges was made and the actual costs were different than the estimated costs. The Board appeared to make proper adjustment to the billings to sending districts for the adjustments in per pupil costs in accordance with **N.J.A.C. 6A:23A-17.1(f)3**.

**District Internal Control Policies**

District boards of education and administration are responsible for developing internal controls policies and procedures and maintaining a strong internal control environment. NJAC 6A:23A-6.4 requires that the district's internal control policies include specific requirements at NJAC 6A:23A-6.5 through 6.13.

Internal Control Policies were found in accordance with NJAC 6A:23A-6.5 through 6.13.

## **Financial Planning, Accounting, and Reporting**

### **Examination of Claims**

An examination of claims paid during the period under review did not indicate any material discrepancies with respect to signatures, certification, itemization and other documentation.

### **Unemployment Compensation Insurance Trust Fund**

The Board has adopted the reimbursement method of payment and maintains an Unemployment Compensation Insurance Trust Fund, of which the amount payable at June 30, 2015 has been reflected in the financial statements.

### **Payroll Account**

The net salaries of all employees of the Board were deposited in the Payroll Account. Employees' payroll deductions and employer's share of fringe benefits were deposited in the Payroll Agency Account.

All payrolls were approved by the Superintendent and were certified by the President of the Board and the School Business Administrator/Board Secretary, and the Chief School Administrator.

Salary withholdings were promptly remitted to the proper agencies, including health benefit premium withholdings due to the general fund. In addition, we did not identify any instance of noncompliance with the provisions covering the flexible spending account.

Payrolls were delivered to the secretary of the board who then deposited warrants in separate bank accounts for net payroll and withholdings.

### **Reserve for Encumbrances and Accounts Payable**

A review of outstanding issued purchase orders was made as of June 30, 2015 for goods not yet received or services not yet rendered, and it was determined that no blanket purchase orders were included in the balance of the reserves for encumbrances. Also, unpaid purchase orders included in the balance of accounts payable were reviewed for propriety and to determine that goods were received and services were rendered as of June 30, 2015.

### **Classification of Expenditures**

The coding of expenditures was tested for proper classification in accordance with N.J.A.C. 6A:23A-16.2(f) as part of our test of transactions of randomly selected expenditure items. We also reviewed the coding of all expenditures included in our compliance and single audit testing procedures. In addition to randomly selecting a test sample, our sample selection specifically targeted administrative coding classifications to determine overall reliability and compliance with N.J.A.C. 6A:23A-8.3. As a result of the procedures performed, no transaction errors were noted and no additional procedures were deemed necessary to test the propriety of expenditure classification.

- A. **General Classification Findings** - NONE
- B. **Administrative Classification Findings** - NONE

### **Certification of Income Tax Compliance**

The required certification (E-CERT1) of compliance with requirements for income tax on compensation of administrators (Superintendent and Business Administrator) to the N.J. Department of Treasury appeared to be filed by the March 15 due date.

### **Board Secretary's Records**

The financial records and board minutes of the Board Secretary were found to be in satisfactory condition.

Acknowledgment of the Board's receipt of the Board Secretary's and Treasurer's monthly financial reports was included in the monthly minutes.

Purchase orders were found to be charged to the appropriate line item accounts in accordance with the State prescribed **Uniform Minimum Chart of Accounts (2R2) for New Jersey Public Schools**.

Monthly financial certifications of the Board Secretary and Board of Education for positive line item account status certification (N.J.A.C. 6:20-2.13) were approved monthly.

### **Treasurer's Records – Board Secretary's Office**

Board Secretary personnel performed cash reconciliations for the general operating account, payroll account and payroll agency account per N.J.S.A. 18A:17-9.

Cash receipts appeared to be deposited promptly.

The Treasury records were in agreement with the records of the Board Secretary.

The Treasury reports were filed in a timely manner.

### **Elementary and Secondary Education Act (E.S.E.A.)/Improving America's Schools Act (IASA) as reauthorized by the No Child Left Behind Act of 2001 (NCLB)**

The E.S.E.A./NCLB financial exhibits are contained within the Special Revenue Section of the CAFR. This section of the CAFR documents the financial position pertaining to the projects under Titles I, II and III of the Elementary and Secondary Education Act as amended and reauthorized.

Our audit of the federal and state funds, on a test basis, indicated that obligations and expenditures were incurred during the fiscal year or project period for which the project was approved.

The study of compliance for E.S.E.A. indicated no areas of noncompliance and/or questionable costs.

### **Other Special Federal and/or State Projects**

The District's special projects were approved, as listed on Schedule A and Schedule B located in the **CAFR** and labeled as Exhibits K-3 and K-4. Our audit of the federal and state funds, on a test basis, indicated that obligations and expenditures were incurred during the fiscal year or project period for which the project was approved.

The financial exhibits are contained within the Special Revenue Section of the **CAFR**. This section of the **CAFR** documents the financial position pertaining to the aforementioned special projects.

The study of compliance for special projects indicated no areas of noncompliance and/or questionable costs.

### **T.P.A.F. Reimbursement**

Our audit procedures included a test of the biweekly reimbursement forms filed with the Department of Education for district employees who are members of the Teachers Pension and Annuity Fund. No exceptions were noted.

### **T.P.A.F. Reimbursement to the State for Federal Salary Expenditures**

The reimbursement to the State for the amount of the expenditure charged to the current year's Final Report(s) for all federal awards for the school district (or charter school or renaissance school project) to reimburse the State for the TPAF/FICA payments made by the State on-behalf of the school district (or charter school or renaissance school project) for those employees whose salaries are identified as being paid from federal funds was made subsequent to the end of the 60 day grant liquidation period, but prior to the 90 days required by N.J.S.A. 18A:66-90. Accordingly, the expenditure was made in accordance with State law (90 days) and properly reported as obligated and not expended and as an unliquidated balance in the current year's Final Report(s) for all federal awards.

### **School Purchasing Programs**

#### **Contracts and Agreements Requiring Advertisement for Bids**

N.J.S.A. 18A:18A-1 et seq. (Public School Contracts Law), the associated rules and related information on the statute, and school contracts in general are available on the website: <http://www.state.nj.us/dca/divisions/dlgs/programs/lpcl.html>.

The current statute is posted on the New Jersey Legislature website at: [http://lis.njleg.state.nj.us/cgi-bin/om\\_isapi.dll?clientID=1319801&depth=2&expandheadings=off&headingswithhits=on&infobase=statutes.nfo&softpage=TOC\\_Frame\\_pg42](http://lis.njleg.state.nj.us/cgi-bin/om_isapi.dll?clientID=1319801&depth=2&expandheadings=off&headingswithhits=on&infobase=statutes.nfo&softpage=TOC_Frame_pg42)

The bid thresholds in accordance with N.J.S.A. 18A:18A-2 and 18A:18A-3(a) are \$36,000 (with a Qualified Purchasing Agent) and \$26,000 (without a Qualified Purchasing Agent), respectively. The law regulating bidding for public school student transportation contracts under N.J.S.A. 18A:39-3 is currently \$18,300 for 2013-14.

## **Financial Planning, Accounting and Reporting (Cont'd)**

### **School Purchasing Programs (Cont'd)**

#### **Contracts and Agreements Requiring Advertisement for Bids (Cont'd)**

The District Board of Education has the responsibility of determining whether the expenditures in any category will exceed the statutory thresholds within the fiscal year. Where question arises as to whether any contract or agreement might result in violation of the statute, the Solicitor's opinion should be sought before a commitment is made.

Inasmuch as the system of records did not provide for an accumulation of payments for categories for the performance of any work or the furnishing or hiring of any materials or supplies, the results of such an accumulation could not reasonably be ascertained. Disbursements were reviewed, however, to determine whether any clear-cut violations existed.

Based on the results of our examination, we did not note any individual payments, contracts, or agreements made for the performance of any work or goods or services, in excess of the statutory thresholds, where there had been no advertising for bids in accordance with the provisions of N.J.S.A. 18A:18A-4 as amended.

Resolutions were adopted authorizing the awarding of contracts or agreements for "Professional Services" per N.J.S.A. 18A:18A-5.

The system of records did not provide for an accumulation of purchases for which the school board used contracts entered into by the State Department of Purchase and Property pursuant to Ch. 114, P.L. 1977; therefore, the extent of such purchases could not reasonably be ascertained. Our examination did not reveal any exceptions, with regard to purchases from vendors approved for state contract.

The review of contracts and agreements did not disclose any areas of statutory noncompliance.

Although a particular contract is exempt from the formal requirements of public advertising and competitive bidding, N.J.S.A. 18A:18A-37 requires that quotations be obtained, whenever practical, for any contract less than the bid threshold but 15% or more of that amount, except for contracts for professional services. All contracts and agreements, which are subject to quotations, shall be awarded on the basis of the lowest responsible quotation received, which is most advantageous to the Board of Education, price and other factors considered. Our examination indicated that the Board of Education complied with these provisions.

### **School Food Service**

The financial transactions and statistical records of the School Food Service were maintained in satisfactory condition. The financial accounts, meal and milk count records and eligibility applications were reviewed on a test-check basis.

Cash receipts and bank records were examined for timely deposit, with no exceptions noted.

The number of meals/milks claimed for reimbursement was verified against sales and meal count records. As part of the claims review process, the edit check worksheet was completed. Reimbursement claims were submitted/certified in a timely manner.

## **School Food Service (Cont'd)**

Food Distribution commodities were received and a single inventory was maintained on a first-in, first-out basis by food-service employees and no exceptions were noted.

The cash disbursements records reflected expenditures for program related goods and services. The appropriate revenue and expenditure records were maintained in order to substantiate the non-profit status of the school food service. Net cash resources did not exceed three months average expenditures and the Board of Education did not subsidize the Food Service Program in the 2014-15 school year.

Applications for free and reduced price meals and milks were reviewed for completeness and accuracy. The number of free and reduced price meals and free milks claimed as served for the entire school year was compared to the number of valid applications and/or to the list of directly certified students on file, times the number of operating days on a school by school basis. The free and reduced price meal and free milk policy is uniformly administered throughout the school system. Sites approved to participate in agreement provisions were examined for compliance with counting and claiming requirements. The required verification procedures for free and reduced price applications were completed and available for review.

Expenditures were separately recorded as food, labor and other costs. Vendor invoices were reviewed and costs verified. Inventory records on food supply items were currently maintained and properly applied in determining the cost of food and supplies used. The examination did not and could not determine the quality, quantity or proper price of nonbid goods or services for which payments had been made. These details were necessarily covered by the approval of such claims. Revenues and receipts were established and verified as to the source and amount only insofar as the records permitted. Time sheets were reviewed and labor costs verified. Payroll records were maintained on all school food service employees authorized by the Board of Education and no exceptions were noted.

Exhibits reflecting Child Nutrition Program operations are included in the **CAFR** section entitled Enterprise Funds, Section G.

### **Finding 2015-1**

Net cash resources in the Food Service Fund exceeded three months average expenditures.

### **Recommendation**

The District should implement a corrective action plan to effectively reduce the net cash resources on hand in the Food Service Fund through capital expenditure or otherwise.

### **The Academy Enterprise Fund**

The Academy Fund activity (representing tuition program fee revenues and payment of related operating expenditures) is reported as an enterprise fund and such activity is covered within Board Policy.

The analysis of Receipts and Disbursements submitted for audit, reconciled with the bank at June 30, 2015. Deposits were generally traceable to the monthly bank statements and made on a timely basis. Expenditures were supported by invoices and other documentation. Receipts and disbursements were reconciled to the bank account.

### **Student Body Activities**

Cash receipts and disbursements journals were maintained in good condition and reconciled to the monthly bank statements. Deposits were traceable to the bank and made on a timely basis. Expenditures were supported by invoices and other documentation.

### **Internal Service Funds**

The cash receipts and disbursements covering the cafeteria services, provided to another district, appeared to be properly maintained.

### **Application for State School Aid**

Our audit procedures included a test of the information reported in the October 15, 2014 Application for State School Aid (A.S.S.A.) for on-roll, private schools for the handicapped, and low-income. We also performed a review of the district procedures related to its completion. The information on the A.S.S.A was compared to the district workpapers without exception. The information that was included on the workpapers was verified without exception.

The results of our procedures are presented in the Schedule of Audited Enrollments.

The district maintained workpapers on the prescribed state forms or their equivalent and has adequate written procedures for the recording of student enrollment data.

### **Pupil Transportation**

Our audit procedures included a test of on roll status reported in the 2013-14 District Report of Transported Resident Students (DRTRS). The information that was included on the DRTRS was verified to the DRTRS Eligibility Summary Report. The DRTRS Eligibility Summary Report was compared to the County Summary Report. All items were in agreement. The results are presented in the Schedule of Audited Enrollments.

Our procedures also included a review of transportation related contracts and purchases. Based on our review, the district complied with proper bidding procedures and award of contracts. Bid specifications were in compliance with applicable statutes. No exceptions were noted in our review of transportation related purchases of goods and services, as well as for any purchase of buses.

### **Facilities and Capital Assets**

As part of the GASB 34 reporting format, fixed assets are recorded in accordance with GAAP, including a provision for depreciation expense.

Our procedures included a review of the NJSDA grant agreements, if any, for consistency with recording SDA revenue, transfer of local funds from the general fund or from the capital reserve account, and awarding of contracts for eligible facilities construction. As of June 30, 2015, \$4,176 remained unspent on the one prior year open project for renovation of the auditorium and science labs. In addition, twelve new capital projects were approved during the 2014-15 school year, of which \$13,509,588 was awarded in NJSDA grant funds. Bonds were issued in the amount of \$6,000,000 and \$600,000 was transferred from Capital reserve. The unspent balance in the Capital projects, as of June 30, 2015, was \$18,789,758.

**Follow-up on Prior Year Findings**

In accordance with government auditing standards, our procedures included a review of all prior year recommendations. Corrective action was taken on the one prior year finding.

**Acknowledgment**

We received the complete cooperation of all the officials of the School District, and we greatly appreciate the courtesies extended to each member of our audit team.

Respectfully submitted,
